Great Bone-Grafting Case.

"Boy and Dog Doing Well" All the Information That Is Given Out.

The case of Johany Gethius and his dog Yip, who-e bone-grafting has created so much inray that the "boy and dog are doing weil," has given rive to all sorts of stories and rumors, proof of none of which has been offered. One evening paper of sporting proclivities ing to Let \$500 that Johnny and Vin have been moved from the hospital days ago. Of course, the paper cannot know this for a fact, for the laws of betting say that no honest on the strength of beilef and not knowledge. it makes its assertion on the great bone-graft-

Dr. A. M. Newman said yesterday afternoon, when a special representative of THE EVENING WORLD was sent to question him in regard to this bet:

"The dog has not been removed from the hospital and is still in the room with the boy." He also stated officially that the "boy and

dog " were doing well. Dr. Newman sees them every day.

Dr. Phelps, who performed the operation. said last night, in regard to the articles con taining the wager:

"Taey are not within 400 rows of apples of the truth."

The doctors are determined, however, to say nothing about the details of the case. Why they want concealment it is hard to say. One gentleman, much interested in the operation, came to THE EVENING World office and offered the editor in charge a check to stop the publication of the story, and went away deeply grieved when his 84.98 offer was not accepted. Indeed, every effort has been made to suppress all reports about

At the Charity Hospital this morning the young man in charge said that the "boy and dog" were doing well. This is all the obtain able information.

Commissioner of Charities and Correction bheeby says that he does not approve of the secrecy maintained about this case, and canno understand what is Dr. Phelps's motive keeping the matter so secret. When asked how the Commissioners knew that some illegal vivisection was not going on of which they could not approve, he said that the Commis sioners knew nothing about it, but that no complaint had been made.

The reason why the Commissioners do n take positive action in the matter is that the visiting Board of Physicians give their services free, and the Commissioners are afraid to offend them.

The whole matter has an ugly look, and there is some likel hood that efforts may be made to bring about an official investigation, not only of the case in question but also of the methods of a hospital where such practices are allowed DUBLIN. Dec. 12.-Two editions of United It may also include a nospital in this city. where it is understood vivi-ection has been carried on to a startling extent.

in the regular issue is printed the legal An Ex-Convict Shoots His Wife and Mutilates Her Body.

> (SPECIAL CABLE TO THE EVENING WORLD.) Paris, Dec. 12 - A workman named Lacassia killed ois wife in a city street here to-day. The murger was a most brutal one.

Lucassin first fired four shots from a revolver into the woman's body; then, as she fell to the walk, he slashed her savagely with a

He mutilated her body and then attempted to kill himself, but was disarmed and placed under arrest.

Lacasin had just served a three months term in jail and his wife refused to live with him again. This was the cause of the tracedy.
